# Monthly Articles About Our Beautiful Queen Lake in Phillipston

by Queen Lake Assoc. Board of Director, Claire Adomaitis

## Article IX

The “hot” days of summer are finally here and there is much activity on the South Beach as well as many boats on the lake. It certainly is wonderful seeing everyone relaxed and having fun.

The following is some statistical information about our beautiful “Queen Lake”. Our lake is a long and narrow great pond with a rocky bottom and many coves. The shoreline is moderately developed. Public access is limited to the town beach and a gravel boat ramp. The public beach on the south end of the lake is open for swimming. (Remember! “No dogs”). The beach is open to Phillipston residents only. The size is 150 acres with an average depth of 9 feet and a maximum depth of 25 feet. The fish species in the lake are largemouth bass, smallmouth bass, chain pickerel, yellow perch, brown bullhead, sunfish and bluegill.

I hope everyone will enjoy the lake this summer, our summers are too short in New England and the many activities that are being held in honor of the town’s 225<sup>th</sup> Anniversary. The big day is August 13<sup>th</sup> hope to see everyone there!

When I was young in Phillipston -- By Gerry Balchuinas

Life was a little slower paced back then, and I do miss it. Mail came in a box at the end of the driveway, and the phone was on the wall and you could use it if no one else was on it. I don't mean anyone in the house, I mean the neighbors all used the same phone line, it was called a party line. You all had different rings and if you were talking someone could pick up the phone and listen if they wanted. No call waiting, no caller ID and if you said then, that someday you would be able to fit a phone in your pocket and call from just about anywhere you would have been laughed at and told to go outside and play.

I miss the good old days where everyone knew what fresh hay smelled like, fresh fruit was only when it was in season and hunting and fishing was a way of life. The church bell would sound out and you knew what time it was if you were close enough. When a person shook your hand they meant it and if they did shake your hand with a promise it was far stronger than any piece of paper you could sign. Kids had to be responsible for all they had done and were praised or disciplined for their actions. Simple times and simple ways produced some great people who built this little town of ours. A town with no stop lights until this winter, and I am glad that one is gone now too. A small town in a small state where the same person can wear many hats, but that is just what it takes to make everything work. These people are the reason why we all live here and enjoy what we have today. So remember that the old man in the pickup truck in front of you holding you up from getting to your scheduled event, is probably the reason the road was there in the first place for you to drive on. It is people like Mrs. Ward and Charlie Davis and the Rosellos who made this town great, oh yes don't forget Mr. K. These are only a few and I hope that we all

## **2011 QUEEN LAKE BOAT PARADE ORIGINALLY SCHEDULED FOR SUNDAY, JULY 3, 2011 AT 2 P.M. POSTPONED TIL MONDAY, JULY 4, 2011 AT 2 P.M.**

The morning brought cloudy skies with everyone hoping that the rain would hold off – but.....about 1 p.m. we decided due to the heavy rains at times we would have to postpone the Boat Parade till the next day. Eight boats total, registered this year, 4 pontoons and 4 power for our two classes.

The decorations were fantastic. Everyone seems to go all out to decorate their boats presenting a wonderful display. All the spectators around the lake cheered the contestants on.

The judges this year were Bob Clark, Spa Road; Marilyn Burday, Spa Road; and Selectmen David Bramhall. Representative Anne Gobi was going to be a judge if we had been able to have it on Sunday but due to her busy schedule she wasn't able to change it to Monday. The judges had some hard decisions to make. We want to thank the judges for their hard work and a job well done.

The winners in the Pontoon Class: First Place went to "Christmas in July" (Finkler Family & Friends), Second Place to "Patriotic Never Forget" (The Twohey Family), Third place to "Happy Birthday Phillipston" (Mark Allen & Friends). The winners in the Power Class: First Place to "Lochnest Monster" (Steve Wilson Family), and Second place was a tie which the judges couldn't break "Phillipston 225<sup>th</sup>, Ice House" (Roberge Family) and "Native Americans" (The George Ladd Family). Trophies are awarded to both First Place Winners at the Annual Association Meeting. Trophies are passed down year to year to the winners

The 2012 Queen Lake Boat Parade will be held on Sunday, July 2nd at 2 p.m. with a rain date (due to the postponement this year) of Tuesday, July 4<sup>th</sup>.

Let's aim for at least double the amount of boats next year. Hope to see everyone there for a fun filled day!

# Picnic on the Common

The **Historical Commission of Phillipston** is celebrating the 225th Anniversary of our town by planning an old fashioned **Picnic on the Common**. Everyone is invited to join in the historical fun filled day. We plan to visit a few memorable years by taking a glimpse at 1786, 1860, 1910 and 2011. There will be entertainment throughout the day for young and old alike, so come spend the whole day on our town common and relive a little history.

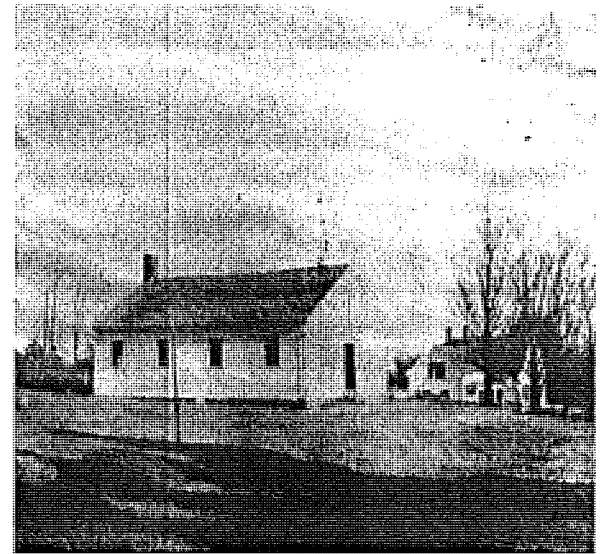

Members of the Congregational Church of Phillipston have offered to prepare lunch including hot dogs, hamburgers and sandwiches if you haven't brought your own. They also intend to display antique quilts in the sanctuary and give tours to see the Old

Wooden Clock which was made by a "Cabbage Clifford, a local Phillipston farmer.

Look for dignitaries from the past including artist Ruth H. Bascom, Isachar Bates, Thomas and Prudence White, Charles Baker, Robert Perry, President Franklin Delano and Eleanor Roosevelt, Band Director John Phillip Sousa, Susan B. Anthony, and Charles and Anne Lindburg. They are sure to have interesting stories to share about their time frame.

Have you ever rolled a hoop, cut out a silhouette or made an Indian Ball? Remember playing Cat's Cradle? There will be something "old" at the Kids' Korner all day. The crafts and games are for everyone to try.

Check out the scheduled activities and prepare to spend a very enjoyable, old fashioned day with us. We'll be looking forward to seeing you on **Saturday, August 13, 2011** on the **Phillipston Common**.
