The Phillipston Congregational Church, U.C.C.
Our Community Church

Dear Friends,

When you thought I wasn't looking, I saw you hang my first painting on the refrigerator, and I immediately want to paint another one. When you thought I wasn't looking I saw you feed a stray cat, and I learned that it was good to be kind to animals. When you thought I wasn't looking, I saw you make my favorite cake for me, and I learned that the little things can be the special things in life. When you thought I wasn't looking, I heard you say a prayer, and I know there is a God I could always talk to and I learned to trust in God. When you thought I wasn't looking I saw you make a meal and take it to a friend who was sick, and I learned that we all have to help take care of each other. When you thought I wasn't looking, I saw you give of your time and money to help people who had nothing, and I learned that those who have something should give to those who don't. When you thought I wasn't looking, I saw you take care of our house and everyone in it and learned we have to take care of what we are given. When you thought I wasn't looking, I saw how you handled your responsibilities, even when you didn't feel good, and I learned that I would have to be responsible when I grow up. When you thought I wasn't looking I saw tears come from your eyes, and I learned that sometimes things hurt, but it is alright to cry. When you thought I wasn't looking I saw that you cared, and I wanted to be everything that I could be. When you thought I wasn't looking, I learned most of life's lessons that I need to know to be a good and productive person when I grow up. When you thought I wasn't looking, I looked at you and wanted to say, "Thanks for all the things I saw when you thought I wasn't looking." Children are watching you, doing as you do, not as you say.

Your sister in Christ, Stephanie C. Flynn
